

## Interventional Radiologist Opportunity

### Opportunity Details:

**Overview:** WVU Medicine Camden Clark Medical Center is seeking a BC/BE Interventional Radiologist to join our team! With WVU Medicine you can take advantage of:

- Employment with a unique and competitive compensation model including an attractive benefits package
- Provide quality care in private practice like settings in local communities with the opportunity to utilize the resources of a prestigious academic medical center
- Integrated system that assists providers with routine tasks and mandated regulations allowing you to focus on patients, families, and complex medical decision making

### **Duties:**

The successful candidate will practice in the area of Interventional Radiology, with some expectation for related, relevant diagnostic work. In addition to providing excellent patient care, the successful candidate would also have the opportunity to be involved in teaching medical students and residents.

- All IR procedures except Neuro – explore all options including peripheral vascular and dialysis
- Diagnostic reading not required but considered
- Based in the Hospital – IR room in the Cath Lab; Ultrasound and CT in Radiology
- Not considering Visa candidates
- Looking for someone who is eager to build a new practice.

### **Qualifications:**

Applicants must have an MD or DO degree or foreign equivalent and be eligible for state medical licensure and be BC/BE in Interventional Radiology.

### **Financials and Benefits:**

The qualified candidate would receive:

- Highly competitive salary including productivity bonuses
- Sign-on bonus
- Relocation assistance
- CME allowance
- Comprehensive benefits package, including retirement

### **About Us:**

Work Here. Live Here. Thrive Here.

[Camden Clark Medical Center \(CCMC\)](#) is a 300+ bed, not-for-profit, full service, acute care facility with a level III trauma center located in Parkersburg, WV. There are over 220 Physicians at CCMC that represent a broad range of services and specialties. We also have a dedicated community comprised of over 2,400 employees and 586 volunteers.

The vision of CCMC is to be the leading regional medical center, known for high quality, comprehensive, state-of-the-art healthcare. As the community hospital serving a 250,000-resident area for more than a century, CCMC maintains a leadership role as a primary source for advanced health care and wellness programs.

CCMC exemplifies progressive growth while maintaining patient-centered, highly personalized professional care. CCMC is the third largest hospital in the state by patient volume. In 2011 CCMC joined the WVU Medicine Family Network. Being a physician-led organization provides countless opportunities for our employees. The West Virginia University Health System, is the state's largest health system and largest private employer, comprised of 17 hospitals (soon to be more) and five institutes.

Camden Clark is ranked nationally in six specialties, by the 2022-23 U.S. News & World Report Best Hospital rankings. Recognized as High Performing specialties are; Acute Kidney Failure, COPD, Heart Attack, Heart Failure, Stroke and Uterine Cancer Surgery.

To serve you and your family better CCMC has a Physician Family Network to assist in your relocation process, navigation around the Mid-Ohio Valley and much more. Our Physician Family Network helps you to collaborate and communicate with colleagues and their families outside of work and build meaningful, long-lasting relationships.

**About the Mid-Ohio Valley:**

University-Size Healthcare. Small Town Vibe.

Parkersburg, WV is centrally located in the Mid-Ohio Valley (MOV) along the Ohio River, with easy driving distance to major metropolitan areas. Parkersburg is family-oriented with a sense of community that is unlike anywhere else, it provides a family-friendly lifestyle that larger urban areas can't offer. Young professionals, growing families, long-time residents, and visitors are drawn to the MOV because of its quality education, livability, business friendly infrastructure, organizations, healthcare and other amenities.

The Parkersburg area is a great place to achieve a healthy work, life balance. Here, you can explore an area rich with outdoor activities, such as hiking and golf. Participate in community events, like fairs and festivals. Dine at award winning restaurants, bars and wineries. Enjoy art exhibits, musical performances, local sports, and historic landmarks. The cost of living in the Mid-Ohio-Valley is 16.6-19.6% below the national average, which is sure to position you to achieve other financial goals.
