

# Accessing Vital Signs in ICU Workhorse

A [+] in the Upper Right corner indicates there are more **normal** vitals to be displayed.

A Red Triangle in the Lower Right Corner indicates there are more **abnormal** vitals to be displayed.

Click the time interval to expand the vital sign information

A screenshot of a vital signs table. The columns represent time intervals from 0115 to 0150. The rows represent different vital signs: temperature, axillary temperature, and blood pressure. The 0130 column is highlighted in yellow. A red arrow points from the text 'Click the time interval to expand the vital sign information' to the 0130 column header.

	0115	0120	0125	0130	0135	0140	0145	0150
37 (9... Axill...								
94/47				98/57	62/31		66/18	89/66
105				107	121		134	125
20				25	36		42	47
100				100	100		100	89
				10				

Best practice is to perform a physical examination of the patient and correlate vital signs.
