

## PCH Foundation's 2021 *Lights of Love* Honors and Remembers Loved Ones in December

The PCH Foundation's annual *Lights of Love* campaign provides a unique and meaningful way to honor or remember someone who is special to you during the holiday season, and at the same time make a donation to support patient care at PCH.

Donors purchase a light or star on the *Lights of Love* tree in honor or in memory of a loved one.

Again this year due to COVID-19, we were unable to gather for a public tree-lighting ceremony. However, that did not prevent our employees and community members from generously donating \$6,755 to the *Lights of Love* campaign.

All 2021 gifts will support the PCH Cancer Care Fund. All funds will remain in the community and will be used to help PCH cancer patients that are in need of medications, nutrition supplements, home equipment, travel funds, and more.

*Letters of Appreciation*

Dear PCH,

Thanks to all of you for taking care of my precious mother. This is day 27 (December 15, 2021) since she wrecked. PCH is taking better care of her than anyone has!

You ladies and gentlemen ROCK! God bless all of you.

So grateful for everyone,  
Crystal Rutherford

Dear Members of the PCH CardioPulmonary Department,

From the bottom of my heart, I thank you all for what you do. I have a grandfather who suffers with heart and respiratory issues, and it is only because of people like you that he is still with us. Thank you for helping others that may be suffering from cardiopulmonary issues, and for working through these unfortunate times. I hope you all stay warm and safe!

Best Wishes,  
Jasmine Palmer

# MMG Nephrology Welcomes Ahmad Eter, M.D., F.A.S.N.

Princeton Community Hospital – WVU Medicine is pleased to announce the addition of Ahmad Eter, M.D., F.A.S.N., to Mercer Medical Group Nephrology.

Dr. Eter earned his medical degree at the University of Aleppo School of Medicine, Syria, where he graduated with honors in the top 10 percent of his class. He completed residency in internal medicine at University of Nevada School of Medicine, Las Vegas, Nevada, and fellowship at Staten Island University Hospital, Staten Island, New York. He is certified in internal medicine and nephrology by the American Board of Internal Medicine and holds the ECFMG Certificate.

Dr. Eter has been affiliated with PCH since 2018. He was previously associated with Nephrology-Hypertension Associates in Bluefield, West Virginia, the Charleston Area Medical Center Hospitalist Group and a multi-specialty group in Beckley, West Virginia.

Dr. Eter is the author of several publications in the field of nephrology and is a Fellow of the American Society of Nephrology.

“We are proud to welcome Dr. Eter to Mercer Medical Group Nephrology,” said President and CEO Karen Bowling. “He is an asset to the hospital's medical staff and fulfills a much-needed role in the medical community.”

# Sue O'Dell Retires After 34 Years of Service

Sue O'Dell retired at the end of December 2021 after devoting 34 years of service to Princeton Community Hospital.

Sue spent the first 17 years of her life in Chicago, Illinois, before meeting and marrying a Princeton native. Sue and her husband returned to his hometown where they settled and raised a family of two daughters.

Shortly after arriving in Princeton, Sue was employed by the hospital as a unit secretary. She worked in various departments over the years including psych, 3-East, and 4-East. For the past 12 years, she has served as unit secretary for the oncology unit.

Sue said, "Working at PCH has been wonderful. I had a very good job and a great manager in Khristy Shrewsbury. Everyone has always been there for me at PCH."

Sue will likely continue to reside in Princeton after retirement. In early spring, she will travel to Chicago to visit her sister and make final plans for life in retirement.

Sue's husband passed away two years ago. Her daughters and their families reside in Princeton. Sue has two grandchildren and one great-grandson. She is excited about spending more time with her family.

Thank you, Sue, for your many years of outstanding service to the hospital. You will be greatly missed!

## Princeton Rotary Presents Award to PCH

On November 12, 2021, the Rotary Club of Princeton presented Karen Bowling with a plaque as a token of appreciation for the continued support that Princeton Community Hospital provides for the club and its many service projects. PCH was an incredible part of making the recent Pancake Day fundraiser a success, as well as many other occasions. Thank you, PCH, for always being a friend of the Rotary Club of Princeton.

*From left: Becky Bennett, Sheila Hall, and Danny Lewis. Not pictured: David Ratliff. These folks played an integral part in preparing the meats for the Rotary Club of Princeton Pancake Day 2021.*

# Thank You, BSC Nursing Students!

Bluefield State College nursing students administered hundreds of doses of flu vaccine to hospital employees during this fall's flu vaccine campaign.

We thank them for their outstanding professionalism and dedication to the medical field, and we hope to welcome them as employees in the not-too-distant future!

# Holiday Cheer for Hospital Employees!

Although hampered by COVID, the holidays were still a festive time this year with a special employee luncheon, *An Evening with Santa*, tree decorating and ugly sweater contests, *12 Days of Giving*, and much more! We hope everyone had a wonderful holiday and we wish you all the best in the new year!

Rehabilitation Services Department (Speech Therapy, Cardiac Rehabilitation, Pulmonary Rehabilitation and Occupational Therapy) dressed up for the holidays! From left: Leslie Jones, Kim Thomason, Donna Shay, Jan Stovall, and Veronica Brooks.

The Pavilion was the winner of the Tree Decorating Competition with 329 votes! Congratulations!

Crystal Tilley was the winner of the Ugly Sweater Competition with 154 votes! Congratulations, Crystal!

A special thank you to Director of Nutrition Services David Ratliff and the entire Nutrition Services team for their exceptional work in preparing and serving the delicious employee holiday luncheon.
