

EVALUATION TOOLS

- Turning Point is a way to judge progression on what you have gained in this course outside of the regular tests.
- We require you to download this app prior to the course and then take a quick test before and after the course.
- We may send a follow up later on in the year or more as this develops.

TURNING POINT SOFTWARE

1. Open Camera App
2. View QR code with your camera
3. Open link in Google Play / iTunes store
4. Download app & Open
5. Register as GUEST
