

AFTER HOURS X-RAY READS

- In Hospital films are not routinely reviewed by radiology after hours (evenings, nights, weekends, holidays)
- Radiology will read any film upon request. Call 7XRAY (79729)
- When an invasive procedure is done (ie central line) or a patient's condition changes the ICU resident needs to do the following:
- Notify Dr. Amanda Palmer if you have problems with this or the CONNECT intranet is not correct.
