

EFFECTIVE JUNE 18, 2022

The Berkeley Medical Center COVID collection site on the hospital campus will close. After this date all pre-surgical patients may choose to go to either the Jefferson Medical Center's Outpatient Care Center or Berkeley Medical Center's MOB 3 Outpatient Surgical Center employee parking lot to complete the required COVID testing prior to your planned surgery.

**PRE-SURGICAL
PATIENTS**

TESTING NOTICE

COVID-19 TESTING FOR PRE-SURGICAL PATIENTS

Your physician's office will coordinate the ordering of this testing for you. You may choose the testing location most convenient for you.

- **AT JEFFERSON MEDICAL CENTER**, this testing will be offered weekdays from 8 a.m. to 4 p.m. in the hospital's Outpatient Care Center. Please call **304-728-1709** to schedule an appointment and the staff will provide further instructions to you.
- **AT BERKELEY MEDICAL CENTER**, this testing will be offered weekdays from 8 a.m. to 4 p.m. Patients are directed to the MOB 3 Outpatient Surgical Center employee parking lot, located behind the building (880 N. Tennessee Avenue). Please park in the COVID Testing designated parking areas and call the number **304.596.2896** provided on the signage. A staff member will come to your vehicle to complete your COVID testing.

COVID TESTING AT THESE LOCATIONS ARE AVAILABLE TO STAFF AND OUR PRE-SURGICAL PATIENTS ONLY AND NOT THE GENERAL PUBLIC.
