HEALTH INSURANCE

Health insurance is not required to be a Living Kidney Donor as all testing to determine candidacy, appointments, surgery, and hospital stay are covered by the recipient's insurance. During the testing, there is a potential for an unexpected medical finding at which point any additional tests or consults needed then bill to your insurance provider. In addition, your follow-up will be covered for 2 years post-donation to monitor your kidney function with the annual requirements then moving to your local provider/insurer.
