

Sit to Stand Trial Options

WVU Medicine employees can now try out a standing desk at the Wellness Center office before deciding on ordering one from Bulldog Office Products. You must obtain approval from your supervisor and/or manager before requesting a trial sit to stand desk unit.

3M™ Precision Standing Desk, SD60B

Product Details

- Gas assist continuous height adjustment allows you to move smoothly and quietly between sitting and standing positions in seconds.
- Height adjustment range from 6.2" to 20" above the desk accommodates a wide range of users.
- +10°/-10° keyboard surface tilt to help achieve comfortable typing position.
- Primary work surface is large enough to fit two 24" monitors and holds up to 35 lbs.
- Includes 3M™ Gel Wrist Rest for your keyboard and 3M™ Precise Mouse Pad.
- Includes 45% post-consumer recycled content.
- Pre-assembled solution eliminates need for installers.

When it comes to standing comfort, small adjustments can make a big difference! The 3M™ Precision Standing Desk provides maximum adjustability to achieve your most comfortable standing work position. Side-mounted levers controlling gas assist height change technology allows for continuous height settings from 6.2" to 20" above the desk surface. The keyboard surface has tilt adjustment range of -10°/+10° to help achieve most comfortable typing position. The 3M™ Precision Standing Desk also includes a 3M™ Gel Wrist Rest and Precise™ Mouse Pad for added comfort and productivity.
