Upon receipt of the application, the applicant will be contacted to set up an interview. The interview will provide the applicant an opportunity to discuss available positions, scheduling, hospital policies, etc. At the time of the interview, the applicant will be asked to sign a disclosure/release form to allow the hospital to conduct a background investigation. Upon receipt of a satisfactory background check, the volunteer will be scheduled for orientation. Filing an application does not assure placement since applicant must be matched to available positions. Applicants will be chosen by the Director of Volunteer Services on the basis of personal traits and qualifications in keeping with the best practices of the hospital.
