

Virtual Urgent Care

- On-Demand video visits are accessible from the menu or by going to “Schedule an Appointment”

- Urgent care On-Demand Video Visits are available from 8am – 8pm EST to be seen by a WVU Medicine provider. If you are trying to request a visit outside of those hours and do not wish to wait to be seen during those times you can click the link to be taken to Teledoc to be seen by one of their provider.

- If the state you are currently in is not correct – click change your location and select the appropriate state. Choose a reason for visit by selecting “put me in line” on the symptom that best describes your condition.

When should I use On-Demand Video Visits?

On-Demand Video Visits can be used for **minor issues**, like:

- Minor cold or flu symptoms
- Mild rashes or skin irritations
- Other minor concerns

On-Demand Video Visits should **not be used for severe symptoms**, like:

- Severe chest pain
- Difficulty breathing or shortness of breath
- Any other symptom that feels life threatening or requires immediate medical attention

How would you like to be contacted about this visit?
Select at least one method of contact. This includes a notification when your doctor is ready.

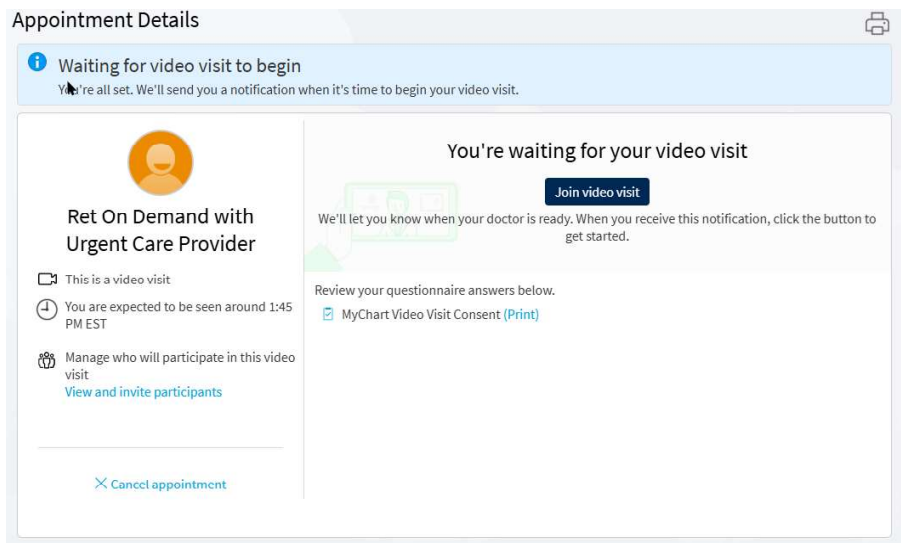

Text me: 555-555-5555
 Email me: myemail@test.com

Complete

- Click “Prepare to join” to complete e-check in steps so the provider is aware you are ready for the visit. **These steps must be completed before the provider will be able to see you.** Ensure you specify a pharmacy for any prescriptions that may be prescribed during the visit.

- After e-check in is complete you will be ready to join your video visit once you are notified the provider is ready to see you. You do not need to stay logged in MyChart and wait, you will be notified by the method you requested that the provider is ready to see you.

- After you are notified if you can click “Join visit” either from the home screen tile or from visits. Ensure that you allow camera and microphone access when joining the video visit. You will be placed in the waiting room to wait for the provider to join.
